Abstract. In the article, there is information given about linguopragmatic characteristics of nicknames in different systemic languages (as the example of English and Uzbek languages).

Key words: language, foreign language, nickname, systems, features.

Introduction: World people's culture differs that it was like, people to live condition, life level various to look have Like this they are mentality and character characteristics are also different.

Uzbek culture and manners features English from culture sharp difference does especially nicknames and nicknames to the front when stopped this more bright manifestation will be Why, English in culture nickname, that is nicknames put usual case considered friendly near relationship means Uzbek cultural in the system this very inappropriate and rough relationship sign is considered.

Nicknames structure aspect according to many to species have is considered Including:

- People for placed nicknames;
- Animals for placed nicknames;
- Lifeless goods, buildings for placed to nicknames is divided.

English in culture a person nicknames as a middle name confession will be done and it is called "Nickname". Nickname is often near to the relationship introductory persons in the middle used, official didn't happen to the tune have will be Uzbek in the language nicknames of individuals external appearance, defect and disadvantages or achievements as a result according to if named, English in the language nicknames own personal freedoms based on is selected and it is insulting and discrimination from the tone far away will be Uzbek in the language while basically discrimination and defects over to laugh based on, less cases personal individual achievements and intelligence to levels is based on Uzbek in the language sometimes to the ear nickname the term is also used.

Nickname this to individuals special term being human _ known one activity conduct in terms of selected is a nickname. Animals for etc placed nicknames all in the states and they are in culture big to the difference have not _ Basically to animals etc placed Nicknames of animals external structure, volume and apparently looking is called. Lifeless object, building and to structures placed names basically

comparative and praise feature have is portable _ and own in the sense of to the language is taken. Like that names - city, village and regions can also be used

For example :

- Second Switzerland - Zomin ;
- The jewel of Samarkand the case the ground.

Nickname (Arab. — to get rid of, get rid of to be) - something creator (poet, writer, scientist and that's it as) or political of characters himself for choose received second name _ Har one the author a nickname certain goals in the eye held without uses. For example: public in the middle own creativity emphasizing to show, from one 's name dissatisfaction, certain danger, threat escape, hide and other.

East art and literature representatives, big scientists to themselves different to things, quality and properties hint in the style of (Ulugbek - Muhammad Taragai, Navoi, Lutfiy, Babur, Mujrim Obid, Munis, Zavqi), occupation, profession relatively (Gulkhani, Charkhi), born or lived to the place relative to (Bukhari, Koshgari, Marginani, Nasafi, Tarazi, Khorezmi, Khojandi, Chusti, Shoshi, Yugnaki, Yassavi), living style or in part hint as (Gadoi, Garibi, Uzlat, Muqimi, Furqat) and another to factors karab nickname those who received or chosen ones. Many in the East and in the West creators only nickname with famous were _ For example, Beruni - Abu Rayhan Muhammad ibn Ahmad, Nawai - Ghiyaziddin son Alisher, Resident - Muhammad Aminkhoja son, Aybek – Musa Tashmuhammad son, Yashin - Kamil Numanov, Chusti - Nabikhan Khojayevev ; Stendhal - Henri Marie Bayle, George Sand - Aurora Dupin and another some poets suddenly more than nickname with (Navoi - Foni ; Mujrim - Abid ; Nadir - Uzlat - Mahjur ; Nadira - Maknuna - Komila like), sometimes one how many a poet one nickname with creation those who did.

East classic of literature almost all representatives, the majority scientists and some political characters known nickname have were _ Nickname of application in literary studies importance big : bayoz, devon, complex such as manuscript sources in the texts applied nickname because of belongs to of works authors determined. Navoi nickname that's it meaningful importance " Lison uttayr " in the work as follows explains : Scene debosiyu poem essay, Who is a pseudonym nozimi tam/osidur. who is this moment together found privilege Ne varaqkim, nazm did avin ok _ Who is this ? Sa'di either Nizami's of course, Yo this Khusrav 's, this Jami's it's worth it.

Current in the day your nickname a poet or the writer own Name and surname without addition used appearance occurs : Ghafur Ghulam, Abdulla Qahhor, Izzat Sultan, Jamal Kamal, Usman Azim and other. English in the language nickname as follows classified. A nickname (also called a) is a pencil name) person by assumed to be hidden done fake name Quality : nickname.

From nicknames which uses writers this different reasons according to they do For example, JK Harry Potter novels famous the author Rowling his own the first crime the novel publication did (Kuko's call, 2013) Robert Galbraith nickname with.

" Imagination and hopeless publication reach very Excellent "It's done, " he said Rowling identity when determined.

American writer Joyce Carroll Oates (also Rosamond Smith and Lauren Kelly aliases under novels publication) emphasizes, " pen name " about " too great, even to the children special has been thing have : you who writes to the instrument fictitious name, and not attached you " (Writer 's Faith, 2003).

The following examples and to observations see _ Also see :

Nickname — 1) of a person appearance, behavior, training or something feature looking to be given second name. Mac, Jorah Pason, Scientist Worry, Zakir Cold, Abdullah Khoroz such as of names second part It is L. Usually, L. is used place and to the goal looking positive or negative to the meaning have will be Literary in the works artistic tool is also used as Writer and of the poet from this purpose character or of the image certain from the side exaggeration, his any feature development, returns escape and work color your language is to do L.'s some of them in literature in general gone _ For example, Majnun (crazy) of Qays, Kohkan (mountain). kazar) of Farhad L. is ; 2) classic literature during nickname in the sense of applied word _ For example, Navoi in his works himself about "al- mulaqab bin - Nawai " (" Nawai nicknamed received ").
